CONSENT FOR EQUINE/CANINE BODYWORK

I hereby request equine / canine bodywork from Horse and Hound Wellness. I understand that the intent of the bodywork is to improve the functioning of my horse's / dog's body, however, the bodywork is not represented as a substitute for veterinarian care.

I (the undersigned) give permission to Joanne (JoJo) Terestre of Horse and Hound Wellness, to touch my horse / dog. This consent will apply to all bodywork sessions from this day forward unless revoked in writing by the owner.

Horse and Hound Wellness does not diagnose illness or lameness and does not prescribe treatments or medications.

To the best of my knowledge, I have given Horse and Hound Wellness accurate health information regarding my horse / dog, such as injuries, illnesses, surgeries, skin conditions and allergies. I will update Horse and Hound Wellness with any new relevant medical information prior to bodywork sessions.

I agree to accept financial responsibility for any bodywork treatments performed by Horse and Hound Wellness.
